On Mother's Day, the prisoner Amina Muna presents a bouquet to Palestine

* On international Mother's Day, our Mother's Day in Palestine has a different flavor:

Our mothers stand at the forefront of the highest ranks of new Palestinian glory ... And the Palestinian era renewed in our blood shall have... belonging... and loyalty... and commitment...

It has been said that the mother that rocks the cradle with her right hand ... Rocks the world with her left ...

From the Land of Palestine, we say to our mothers:

"The mother that ululates in her sons' martyrdom procession will ululate at the eternal gates of Heaven."

For every Palestinian mother... For every wife of a martyr... For every sister of a prisoner... For every Palestinian nurse... Who has knocked on the gates of Glory... and History...

- The occupation court has indicted the prisoner Amina Muna:

An indictment has been submitted to the occupying military court in Beit El against the university student Amina from Bir Nabala on the suspicion of causing the death of the settler Ophir Rachum around two months ago. Israeli radio reported the occupying military's allegations that Amina Muna lured the settler Ophir Rachum from Ashkelon to the Ramallah area where

her accomplices from Fatah fired on him and killed him, according to Israeli allegations. The so-called "Military Prosecution" requested that the Court extend the detention of the student Ms. Muna on the pretext of completing the legal proceedings against her.

The gift of handcuffs ... And the sound of anklets

On international Mother's Day ... We offer the Palestinian mother Basme a present from the lips of Palestinian prisoner Amina Muna and handcuffs - bracelets - decorate her wrists and the whole of the country ... It is the distance between handcuffs and locks ... It is the gloom being cast off ... of the happy dawn of the State and its Capital the holy city of Jerusalem

في عيد الأم تهدي الأسرة أمّة من ياقه لفلاطين

* في عيد الأم العالمي تقتل أعياد أمّاتنا في فلسطين طعماً ولوباً ورائحة :-

وتقتلم أمّات فوق كل سود وعاء العهد الفلسطيني الحديث .. ولأنّ من الفلسطينيين المتحدّه في دمائنا ...
لتضامن ... وللإباء ... وللترابي ...
فقد قيل سابقاً أن الأم التي تهرّ السرير بيمينها ... تهرّ
الimmel بيسارها ...

ولعن لقول من أوغر فلسطين لأمعاننا :-

"إن الأم التي تزخره في موكب الشهادة لأبنائها
ستزغد على أبواب الجنة للخالدين ..."
الى كل أم فلسطينية ... الى كل زوجة شهيد ... الى كل
أخت أسيء ... الى كل مصمدّة للجراح الفلسطينية ...
الف تحية والجلال والكمال في عيد الأم ... الأم الفلسطينية ...
التي وقفت ابرأة المحتل ... في التاريخ ...

* محكمة الاحتلال توجه لافتة الاتهام للأسيرة أمّة من :-
